Dear Alicia Dalmolin:

The Arizona Department of Transportation is pleased to announce that your firm has been certified as a Disadvantaged Business Enterprise (DBE) in Arizona, under a Unified Certification Program (UCP) in accordance with 49 CFR, Part 26. This certification provides reciprocity in the DBE program with the Arizona Department of Transportation, the City of Phoenix, and the City of Tucson.

DBE certification is continuing from the date of this letter, but is contingent upon the firm renewing its eligibility annually through this office. You will be notified in advance of your obligation to continue eligibility in a timely fashion. Failure to continue your eligibility will result in immediate action to decertify the firm.

As long as the firm is listed in the DBE Directory, it is considered DBE certified by all Arizona UCP members.

If, at any time, there is a material change in the firm, including, but not limited to, ownership, officers, Directors, scope of work being performed, daily operations, affiliations with other businesses or individuals or physical location of the firm, you must notify this office in writing without delay. Notification should include supporting documentation. You will receive timely instruction from this office as to how you should proceed, if necessary.
